Subject: Crew Performance

Date: Fri, May 27, 2016 2:51 pm

Melvin,

Hope all is well and you and your family are enjoying a great Spring/Summer!

I want to take time to let you know how much I and Alutiiq appreciate the hard work Mel and the guys have put in on our project. Our facility offers unusual challenges with access and escorting personnel. I want you to know the guys did an excellent job and have given us a quality product. I know it got off to a rough start and took a little longer to complete than we all had hoped but the crew never slacked off and Mel led by example and all things aside he and the entire crew deserve a 'pat on the back' for staying focused on a successful completion of the task at hand. You are quite fortunate to have good folks like this and a willing son to help operate a tough business, I would say your company is and will be in good hands.

I wish you all a wonderful Memorial Day weekend that we may all remember those who gave their lives that we may do the things we choose and love to do on a daily basis.

V/R
